

#### NIGEL STYLES

Mr Nigel Styles has been in church leadership for many years. He is enthusiastic to hear the Bible taught well, and loves watching its impact in people's lives. He served as the Director of the Cornhill Training Course, a ministry of the Proclamation Trust in London, training people to teach the Bible, until recently when he was appointed as the Director of Cross Connections. He's married to Lizzie and they have six children. Nigel is not new to PIZ. He came and taught at the Proclamation conference in 2017.

#### NAT SCHLUTER

Mr Nat serves as the Principal at JBC. He enjoys the opportunities and challenges in teaching the Bible and getting to know many students who love Jesus - such are an encouragement to his faith. He loves meeting new people from South Africa and all over the world, and learning new things (from bee keeping, handling dangerous animals, scuba diving, off roading). He is married to Helen, and they have five children. He is fascinated by the natural world and unwinds best in the bush.

Nat holds masters degrees in both Psychology and Theology, and a D.Phil in Neuroscience from University of Oxford.

Nat is not new to PIZ. He came and taught at our Proclamation conference in 2019.

#### HENRY MUKONDA
