

The Proclamation Institute Zambia

Training Preachers; Growing Churches

Our great desire is to equip preachers for expository Bible ministry in Zambia and beyond. Alongside this we work to see men and women equipped to be excellent handlers of God's word so that through many ministries churches are built up in their faith, sending out church planters and missionaries, to glory of the Lord Jesus Christ, as they hold on to the word of life, delivered to us in the Scriptures.

"Do your best to present yourself to God as one approved, a worker who has no need to be ashamed, rightly handling the word of truth."

(2Tim 2:15)

Facilities

PIZ is found north of Garneton, near Kitwe on the Copperbelt. We have students from across Zambia. The course is a residential course, with students staying on campus during term time. The hostel has twin rooms. Each room has its own bathroom and toilet, along with a desk for each student and space to store personal belongings.

The hostel has a large kitchen where the domestic team prepare main meals and where students are able to make their own meals at other times.

Alongside the classroom there is a computer study room and a well-stocked library. Each student is assigned a computer to use through the year and is able to study in the library as well as borrow books for study in their dorm room.

Our facilities continue to improve each year. We look forward to your arriving on campus.

Proclamation Institute Zambia

(PIZ) exists to train accurate, passionate Bible preachers and teachers for the growth and strengthening of local churches in Zambia and beyond.

Our Focus

Our focus is to equip our students in accurate Bible handling, so that they may go out from us as passionate preachers of the word of God who are able both to declare the gospel clearly and defend the truth from error.

The majority of class time is spent in books of the Bible learning to be prayerful observers of what the text really says, understanding the inspired author's original intention in order to teach the Biblical application for us today.

Alongside this focus we have courses covering Christian Discipleship, Bible Overview, Basic Christian Doctrine, Principles of Expository Ministry, African Church History, Engaging with the World, Christian Ministry and the Church and its Mission.

2Tim3:16-17

All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, ¹⁷ that the man of God may be complete, equipped for every good work.

"I've been equipped for ministry. Trained, sharpened to go back [to my church] to preach the word of God"
